

Student Name: _____

Class/Period: _____ / _____

Global Health Interest

You will participate in the Global Health Conference on _____ / _____ (day/date) from _____ to _____ (time) in _____ (location). The Global Health Conference highlights your research and findings on health issues and solutions from countries all around the world. At the conference you will present your work on a 3-sided poster board and with a 2-page paper. More details will be provided to you at the next class.

You will create a display board about a country and a health issue that the country is facing. Indicate which countries you would be most interested in researching and presenting by listing names of your top five countries below:

1. _____
2. _____
3. _____
4. _____
5. _____

Check or list five health topics that you are interested in exploring:

- Malnutrition: hunger and/or obesity
- Diarrheal disease
- HIV/AIDS
- Malaria
- Tuberculosis
- Measles
- Cancer
- Mental health
- Disabilities due to violence
- Other _____
- Other _____
- Other _____
