### Global Health Conference: Reflection Survey

Today you will have an opportunity to see the display boards of some of your classmates and to talk to them about their research. When you have finished, fill out the following and return it to the teacher:

List three new and important things you learned from the health issues presented:

- 1.
- 2.
- 3.

List two things that surprised you about the health issues presented:

- 1.
- 2.

Explain the one most important thing you have learned about global health.

- 1.
